

Salvation

By Bill Garthwaite

Salvation is the gift of God
To all who will believe.
But a gift is not a gift at all,
Unless it is received!

If the Word of God is **NOT** received
No matter what we say;
Jesus Christ is **NOT** our Lord,
And we have missed the way!

So many folks have been deceived...
Because they've believed the lie.
They think the good works they have done
Will save them when they die.

But it's not by works of righteousness...
The "good things" we have done;
Salvation is the **Gift OF God**...
Salvation is **God's Son!**
